New Early Voting Site at Lakewood Park Library opening for November 3, 2026 General Election

Gertrude Walker, Supervisor of Elections for St. Lucie County, is pleased to announce that the Lakewood Park Library located at 7605 Santa Barbara Drive in Fort Pierce will now serve as an Early Voting site in order to reduce long wait times and improve overall voting experience. Early Voting will run from Monday, October 19 through Saturday, October 31 from 10:00 a.m. to 6:00 p.m.

Due to the lack of public facilities in the North County area, the Supervisor of Elections office must depend on the generosity of the community to permit the use of their facilities as Early Voting locations. Since the 2024 General Election, we have been diligently searching for an additional early voting site and were successful in collaboration with the Lakewood Park Library to solidify the new early voting location. We are grateful to the Lakewood Park Library for their commitment to serving this community.
